A408 No Casting Fees Permitted

No person, firm, or corporation engaged or subcontracted by the Producer to cast, hire, employ, or otherwise engage Performers (including Background Performers) may be engaged by a Producer if the effect is to avoid the requirements of this Agreement. In particular, an agency, person, firm, or corporation hired or otherwise engaged by the Producer, whether for compensation or gratuitously, to contract a Performer or a group of Performers may not charge a fee to the Performer(s) if the effect of this fee would be to compensate the Performer(s) at rates or conditions below the minimums of this Agreement.

A409 Right to Negotiate Above Minimum Terms

The Producer shall not restrict the right of the Performer to negotiate terms (including rates or fees) and conditions in excess of the minimum provisions of this Agreement. Oral and/or written notices, advising that the Producer is only offering minimum fees may not be issued prior to the conclusion of the audition process.

A410 Assignment of Wages

Except as otherwise provided in this Agreement, all payments shall be made directly to the Performer unless written authorization has been received by the Producer from such Performer authorizing payment to another party. Payment will also be made to another party in the event of a Court Order.

A411 Administration Fee

- (a) The Producer shall assist in defraying the cost of administering the terms of this Agreement by paying an administration fee to the Union. The administration fee payable shall be three percent (3%) of the minimum fees (inclusive of overtime and Use Fees) in this Agreement paid to all Performers (both members and non-members) engaged for the production of a Program up to the following maximum amounts:
 - (i) \$3,000 for each Episode of a Series

 - (iii) \$6,000 for each two (2) hour segment of a Mini-Series

Producer's Branch of the Canadian Film and Television Production Association (BCCFTPA). If the Producer is a member in good standing of the BCCFTPA as of the date of remittance of the fee (which membership in good standing shall be confirmed by the Association by written notice), an additional one percent (1%) of the minimum fees to a maximum of \$1,500 per Production or Episode, shall be remitted to the Association by the Producer. Labour Relations Board or is revoked in writing by the assignor. The Producer will also deduct, upon request of the Union, any fines, assessments or arrears in membership dues that are not prohibited by the *Labour Relations Code*. The Producer will remit to the Union the fees and dues deducted along with a written statement containing the names of Performers for whom deductions were made, the amount of each deduction along with a copy of any revocation of the assignment. The Union shall hold the Producer harmless for any costs or damages arising from the fines, assessments or membership dues deducted by the Producer.
- (b) This provision shall not apply to members of any other labour organization who are engaged under the collective agreement of their home labour organization.

A413 Subcontractor

The Producer shall require any "subcontractor" engaged to carry out any of the functions required to make or exploit a Production in British Columbia and Yukon to apply rates which are not less than the rates set forth in this Agreement and to adhere to all the other terms and conditions of this Agreement. This requirement shall be a condition of engagement of such a subcontractor, and the Producer shall be liable in the event of a breach by this person, firm, or corporation. Notwithstanding the foregoing the Producer may contract with any person to perform specialized work such as, but not limited to aerial, underwater, or miniature work. Before contracting with any person to perform specialized work, the Producer will engage in a discussion with the Union, (which may include, where practicable, a meeting at the Union's request) of the reasons for contracting out such specialized work. Partial drawings by the Union shall be permitted;
 - (ii) The said letter of credit shall have a term commencing not sooner than thirty (30) days prior to the commencement of work by the Performers and terminating at a mutually-agreed date after the completion of principal photography;

- (a) The Producer shall not utilize persons employed as members of the Producer's casting or production staff as Performers in any Productions on which they also render other services without express consent of the Union. However, the Union will not unreasonably withhold a waiver to accommodate the legitimate production necessities of the Producer.
- (b) The following are exceptions to the above:
 - (i) union members;

The Union shall only utilize such video for internal purposes and such video shall not be duplicated or provided to any person (whether an employee or otherwise affiliated with the Union) except as required to administer this Agreement.

A419 Notification of injury

The Producer shall advise the Union in writing at the earliest opportunity of any injury to a Performer on set or on location, which injury requires medical attention at a clinic or hospital. This written report shall include details on how the injury occurred, the extent of the injury, and what steps were taken subsequently (see Article A2006).

ARTICLE A5 - OBLIGATIONS OF THE UNION AND PERFORMERS

A501 Professional Conduct

The Union undertakes to require and maintain professional conduct from Performers engaged to perform under the provisions of this Agreement. In the event that unprofessional conduct of one or more Union members engaged under the provisions of this Agreement jeopardizes the day's production, the member or

members, subject to the Grievance Procedure, may be found to be in breach of this Agreement and may be directed by a duly-appointed Arbitrator to provide compensation.

A502 Performers to Report

Performers shall report to the Producer or his/her designate before leaving the studio or location following the completion of scheduled work. Except as provided elsewhere in this Agreement, the Performer's workday ends after s/he is out of makeup and costume, unless asked to remain beyond that time by the Producer or his/her designate. The Performer shall sign a Performers Time Report as provided in Article A706 and shall ensure that a representative of the Producer also signs the same record. In the event of a dispute, the Performer shall report such dispute to a Union steward or the Union office. Should the Producer require the services of the Performer for a further period of time, the Performer shall accept such further engagement, provided it does not conflict with some previously arranged engagement.

A503 The Union to Appoint Steward

The Union may, as the occasion demands, appoint an in-cast steward or designate an employee or other Union representative to undertake stewarding functions. Such steward(s) shall carry out duties as required by the Union, including:

- (c) Generally enforce and administer the provisions of this Agreement at the studio or on-location.
- (d) Ensure that the Performers Time Report (referred to in A706 and A502) is maintained for Performers and Background Performers.

Upon prior notice to the Producer, the appointed steward shall be permitted to visit any portion of the business office, studio or shooting location necessary for the proper conduct of the business of the Union during business or working hours. It is agreed that such access shall not interfere with the Performers' ability to perform or unreasonably disrupt the operation and/or administration of the Production.

A504 Performer Responsibilities

A Performer shall at all times report to the set or location ready to work at the time of his/her Call. The Performer is required to know his/her lines of the scenes listed on his/her call sheet at the time of arriving on the set or at the location. Performers will at all times comply with the reasonable requests and instructions of the Producer or his/her representative. The Performer will be reasonably familiar with the terms of this Agreement. It is the responsibility of the Performer to identify to the Union Steward any perceived breach of this Agreement whenever such breach is considered to occur in order that the Union Steward may give the Producer the opportunity to remedy such perceived breach at the earliest opportunity in the spirit of this Agreement.

A505 Performer to Advise Producer of Inability to Work

The Performer must advise the Producer at the earliest opportunity of any injury and or any inability to fulfill contracted obligations.

The Performer may not take, or cause to be taken, still pictures on the set or location, without the full knowledge and prior consent of the Producer.

ARTICLE A6 - QUALIFICATION OF PERFORMERS

However, after making reasonable efforts to comply and having established that a person who is not a Member of the Union is required in a Production, then application shall be made for a work permit at the Union office at least forty-eight (48) hours prior to the commencement of work, and the following procedure will apply for the issue of work permits:

- (a) Principal Performers who are Canadian citizens or landed immigrants shall pay a work permit fee

- (b) Other Performers (except Performers in Background Performer categories) who are Canadian citizens or landed immigrants shall pay a work permit fee of \$150.00 for each week of production on any Program for which the Performer is engaged.
- (c) Subject to the other provisions of this Article, when a work permit is issued to a Performer who is not a Canadian citizen or landed immigrant and not a Member of the Union, the fee for such work permit for each such person shall be \$225.00 for the first week of production and \$175.00 for each subsequent week of production as long as there are less than four (4) such Performers engaged on each Production. With respect to Productions on which more than three (3) such Performers engaged, then the work permit for each such Performer shall be \$250.00 per week.
- (d) Any member who is a Principal Performer, but not in good standing, shall pay a work permit fee of \$175.00 for each week of production on any Program for which the Performer is engaged. Members who are engaged in other categories (except Performers in Background Performer categories) and are not in good standing shall pay a work permit fee of \$150.00 for each week of production on any Program for which the Performer is engaged.

Note: For purposes of clarification, a "week" as used in this A601 is understood to be seven (7) consecutive days, commencing from the Performer's first contracted day.

A602 Reciprocal Agreements

The contracting of members of other Performers unions by the Producer shall be governed by any Reciprocal Agreements between the Union and the other organization.

A603 Engagement of Non-Canadians

- (a) In order to maintain a permanent Canadian film and television production industry capable of producing high quality Canadian Productions for the use of audiences in Canada and elsewhere, the Producer agrees that the progressive development of a pool of Canadian talent of all kinds should be encouraged.
- (b) The Producer agrees that Canadian Performers should be given the opportunity to play leading and challenging Roles in all areas of film and television production.
- (c) Notwithstanding the provisions of A604 and A605, this Article may not apply, at the absolute discretion of the Union, in the instance of an "on-location production" which is being undertaken in Canada by a non-resident production company. However, the Producer agrees that all other terms and conditions of this Agreement shall apply in all respects to such "on-location production".

A604 Theatrical Production

The following procedures shall govern the issuance of work permits for non-Canadian Performers in Theatrical Productions:

- (a)
 - (i) One (1) non-Canadian may be engaged for a Theatrical Production, and
 - (ii) A second (2nd) non-Canadian may be engaged only if a Canadian Performer receives billing that is not less than the second (2nd) most prominent cast billing, and such Canadian Performer is one of the two highest paid Performers in the cast.
- (b) Notwithstanding the provisions of A604(a), the Union recognizes that it may be necessary in certain Theatrical Productions for the Producer to allocate billing to one Performer and compensation to a different Performer. In such circumstances, the Producer may make application, pursuant to A112 Enabling Provision to the Director of Collective Bargaining of the Union for consideration of such requirements. The application shall include the script, proposed Roles, billing and compensation for the Canadian Performers named in the application and such other documentation as may reasonably be required by the Director of Collective Bargaining. All required documentation and the oral submissions, if any, from the applicant shall be considered confidential communications. The decision of the Director of Collective Bargaining or his/her designate shall be made and communicated to the applicant as promptly as possible in the circumstances.
- (c) Additional work permits may be issued for Performers in a work category other than Principal Actor where the Performer's engagement is entirely outside Canada. The Union agrees that such work permits shall not be unreasonably withheld.

- (d) In the event the production of a Program requires one or more Roles for which an unusual physical skill or physical attribute are necessary and such requirements cannot be filled by the application of the above provisions, application may be made to the Business Representative of the Union for additional work permit(s). It is understood that such an application shall not be considered if the Producer has not made reasonable efforts to comply with A604(a).

A605 Television Programs

With respect to a television Program or Series, the Production shall be governed by the following provisions with respect to the engagement of non-Canadian Performers:

- (a) **Variety Special or Series** The total number of permits issued to non-Canadian talent shall not exceed fifty-percent (50%) of the contracted Principal Actors, Variety Principals, or Specialty Acts. Non-Canadian Performers shall not be engaged in any other performance category.

- (d) **Quiz, Panel, and Game Shows** In no case shall the Host, Master of Ceremonies, or Moderator be a non-Canadian Performer. No more than one (1) Performer in four (4) of the regular panel may be a non-Canadian Performer. Contestants or guests will be issued work permits.

- (f) Additional work permits may be issued to Performers in television Programs or Series in a work category other than Principal Actor where the Performer's engagement is entirely outside Canada. The Union agrees that such work permits shall not be unreasonably withheld.

A606 Co-productions and non-Canadian Content Productions

- (a) When it is established that a Production is a co-production governed by an Official Co-production Treaty between Canada and another country (or countries), the parties to this Agreement recognize that the application of A604 or A605 may be subject to the terms of the relevant International Co-production Treaty.
- (b) In the event that an entirely privately financed Production is to be produced in Canada, the foregoing provisions of A604 or A605 may be modified by the Union. In such instances, the Producer shall be required to provide the Union prior to commencement of production with information and supporting documentary evidence which establish that:
 - (i) the Producer has not and will not apply for certification of such Production by the Canadian Audio Visual Certification Office ("CAVCO") or Canadian Content under the CRTC;
 - (ii) neither Telefilm Canada nor any provincial film funding agency, or their successor organizations have any direct or indirect financial participation in the Production;
 - (iii) no Crown agency or corporation and no public institution has participated in the Production either in the form of a financial participation or by the provision of Production facilities or personnel.
- (c) In addition, the Producer will be specifically required to provide the Union with a written undertaking that neither the Producer nor any agent or representative of the Producer shall at any time apply for certification by CAVCO or for Canadian Content by the CRTC or to use any other instrument of Canadian tax policy in respect of the production to which a so called Canadian Production would otherwise be entitled. The Union shall file a copy of such written undertaking with CAVCO and the CRTC and with any other relevant body.
- (d) Finally, the Producer agrees to undertake best efforts to engage Canadian Performers in all Roles in the Production.

A607 Modification of Limitations

The limitations on the engagement of non-Canadian Performers in all Productions, as set out in this Article A6, may be modified by the Union in the case of Productions where non Canadian financiers or licensees contribute, in the aggregate, at least one-third (1/3) of the gross Production budget, and in which the engagement of non-Canadian Performers is a condition of such investment or license, or where there are health and safety considerations. A Producer seeking to take advantage of A607 shall make written submissions to the Union as soon as possible. Such written request shall contain evidence that the Production meets the criteria of A607, and may also contain other documents and explanations concerning the requirements of the Production. The Union will respond to such request for a modification, within five (5) business days of the request being submitted by the Producer and such response shall include brief reasons for the Union's decision. A copy of the decision will be sent to the Producer and a designated representative thereof.

A608 Notice of Objection

In the event that the Producer wishes to dispute the Union's decision as set out in A607, the Producer has the right to challenge such decision on the grounds that it is not reasonable or not in keeping with standard industry practice, by filing a Notice of Objection ("Notice") which shall set out the particulars upon which the Producer relies in challenging the decision together with any relevant documentation. The following procedure shall be followed in dealing with such dispute:

- (a) The Notice shall be sent by Fax or delivered by direct courier to the Union Office, and the designated representative of the Producer.
- (b) The Parties agree to name a special Arbitrator or Arbitrators who shall deal with disputes concerning the application of A608. Such Arbitrator(s) shall have familiarity with the film industry but not be affiliated with any of the parties to the dispute. If the Parties are unable to agree upon an Arbitrator, either party shall have the right to request the Director of Collective Agreement Arbitration Bureau name a special Arbitrator to deal with such disputes until such time as the parties have been able to agree on such special Arbitrator(s).
- (c) The Union shall be allowed five (5) business days from receipt of the Notice, in which to file a response ("Response"), outlining its position together with any relevant documentation.
- (d) The Parties shall endeavor to settle all outstanding issues arising from the Notice and Response within such five (5) business days. Failure to reach a settlement shall entitle the Producer to refer the matter to final and binding arbitration, which shall be governed by the provisions of A10 unless otherwise provided in this Article.
- (e) In the event the Producer wishes the matter referred to Arbitration, the Notice together with the Response shall be sent to the Arbitrator agreed upon by the parties or named as set out in subparagraph (b). Each party shall have the right to submit any relevant documentary evidence including affidavit evidence together with their submissions.
- (f) The Arbitrator shall conduct a *viva voce* hearing only if he is satisfied that the issues cannot be fairly dealt with absent such *viva voce* hearing. The Arbitrator shall hold any hearing within five (5) business days of the matter being referred to Arbitration, and the Arbitrator shall render his/her decision within two (2) business days of such hearing.
- (g) The Parties agree that time is of the essence with respect to the issues arising in this Article 608 and agree that the time lines herein contained can only be extended with the written consent of both parties.

A609 Preference to Canadian Performers

The Producer agrees to undertake best efforts to engage Canadian Performers in all Roles in the Production. "Best efforts" shall be interpreted to mean that Union members and Canadian Performers shall be auditioned in good faith prior to the engagement of non-resident Performers. If a distributor demands the engagement of a particular foreign "star" Performer or lead, the Union shall not unreasonably withhold waivers of this provision.

A610 Requirement to File Contracts

All contracts for non-Canadian Performers shall be filed with the Union office within two weeks of execution by the parties.

ARTICLE A7 - CONTRACTING OF PERFORMERS

The Performer shall return a fully executed copy of the contract to the Producer the earlier of forty-eight (48) hours of receipt or commencement of rendering of services. The Performer and the Producer shall each retain an original of such contract. The Producer shall file a copy of each such contract with the Union office. This standard contract shall be deemed to be a part of this Agreement and form part of it. Any provision of a rider or other agreement between a Producer and a Performer which violates an express term of this Agreement shall be null and void.

A705 Completion of Performer Contract

The Performer contract (see Appendix "E") must be completed in full and it must explicitly contain the basic rate of Performer compensation expressed in dollars as a daily fee, exclusive of the amount of the Prepayment or Advance in respect of Use Fees, which amount must be shown as a separate item.

 - (i) overtime,
 - (ii) work on the 6th and 7th days,
 - (iii) and encroachment on rest period.
- (c) Failure to designate clearly the offset rights in the Performer's contract shall mean the loss of any ability to credit or offset over-scale pay.

A708 Protection of the Collective Agreement

Performers engaged at terms or conditions in excess of the minimum provisions of this Agreement shall be entitled to exercise all the benefits and protection of the provisions of this Agreement.

ARTICLE A8 – SERIES OPTIONS**A801 Series Options**

- (h) the option provides that either party may require a mediation meeting at the time the option is exercised. The meeting shall be convened between the Performer and the individual identified by the production entity as the Producer. The Performer and the Producer may mutually agree on a third party to act as mediator. Any cost of such third party mediation shall be borne by the party requesting mediation. The parties shall not be entitled to be represented or accompanied, except when the Performer is a Minor, he may be accompanied by a parent or guardian. A903 No Requirement to Work for Unfair Producer

Performers shall not be required to work for a Producer declared Unfair by the Union.

ARTICLE A10 - GRIEVANCE PROCEDURES AND RESOLUTION**A1001 Statement of Policy**

The Union and the Producer recognize the desirability of exerting an earnest effort to settle grievances at the earliest possible time consistent with the provisions of this Article. The Union shall make a careful and thorough investigation of a Performer's complaint before submitting it under the grievance procedure in order to ascertain whether, in its opinion, the complaint is reasonably justified under the terms of this Agreement and that there is reasonable ground to believe that the claim is true in fact. No Performer shall be discriminated against for reasonably making a complaint or filing a grievance asserting a violation of this Agreement. There shall be no slowdown, disruption or stoppage of work including strikes or lock-outs.

A1002 Grievance Defined

All complaints, discipline, disputes, or questions of the Producer or the Union, as to the interpretation, application, or performance of this Agreement (excluding jurisdictional disputes) or any deal memo, including any question about whether a matter is arbitrable, shall be settled between the Producer directly involved and the duly authorized representative of the Union. Any party to the grievance may participate in grievance meetings.

A1003 Scope of a Grievance

- (a) The parties agree that grievances may arise concerning differences between them respecting the application, administration, interpretation or an alleged violation of this Agreement, or any deal memorandum or other form of contract, including a question about whether or not a matter is subject to arbitration.
- (b) The procedure for resolving a grievance shall be the Grievance Procedure in this Article. All discussions between the parties during the grievance procedure are without prejudice and inadmissible in any subsequent arbitration hearing.
- (c) Performers exercising their rights under the provisions of this Article do so without prejudice to their relationship with the Producer.

A1004 Settlement "at the scene"

- (a) A complaint of a minor nature may be settled at the time of its occurrence by the Union Steward and the authorized representative of the Producer. No dispute settlements at this level shall have the weight of precedent unless the parties have reviewed and ratified it, in writing.
- (b) In the event that the complaint is not resolved in the manner described, above, either party to the complaint may initiate a grievance.

A1005 Step 1 of the Grievance Procedure

In the first step of the Grievance Procedure, every effort to settle the dispute shall be made by the aggrieved Performer and his/her supervisor within ten (10) calendar days of the occurrence of the event(s) upon which the grievance is based; or within ten (10) calendar days after the facts underlying the grievance became known or should have reasonably become known by the aggrieved party. The aggrieved Performer has the right to be accompanied by a steward or any other authorized Union representative. Any dispute settlement reached at this meeting shall be binding upon the Performer and/or the Producer, so long as this resolution does not violate this Agreement. No dispute settlements at this level shall have the weight of precedent unless the parties have reviewed and ratified it, in writing.

A1006 Step 2 of the Grievance Procedure

To be valid, grievances must be filed within thirty (30) calendar days of the occurrence of the event(s) upon which the grievance is based; or within thirty (30) calendar days after the facts underlying the grievance became known or should have reasonably become known by the aggrieved party. A grievance is filed by delivering to the other party a written statement of grievance which shall set forth in detail the basis of the dispute, the contractual provisions alleged to be violated, the material facts, the position of the grievor, and

the relief sought. If either the Producer or the Union fail to agree to meet within fourteen (14) calendar days after the receipt of the statement of grievance, or they do meet and fail to resolve the grievance, then either Party may proceed to final and binding arbitration pursuant to Article 1007. In the event that the Union attempts to deliver a grievance to a Producer at the address last provided by such Producer to the Union and the Producer is no longer at that address, the grievance will be considered filed for purposes of this provision. However, no default shall be entered against such Producer and the aforementioned fourteen (14) calendar day period will not commence until the grievance is in fact received by the Producer.

A1007 Arbitration Procedure

If the grievance procedure fails to resolve the grievance, either party to this Agreement may proceed to final and binding arbitration by delivering to the other party a written demand for arbitration which shall set forth in detail the basis of the dispute, the contractual provisions alleged to be violated, the material facts, the position of the claimant, and the relief sought. Such demand must be served not later than thirty (30) days after the filing of the grievance or the grievance will be waived, unless the parties mutually agree to extend the time limits. Within fourteen (14) calendar days following service of the demand for arbitration, or within such additional time as the parties mutually agree upon in writing, the parties will attempt to mutually agree upon an Arbitrator selected from the following list of Arbitrators:

Stephen Kelleher
Stan Lanyon
Richard Longpre

If the parties cannot agree upon one of the foregoing Arbitrator, the arbitrator shall be selected on a rotation commencing with the first arbitration being assigned to the first listed arbitrator, the second arbitration being assigned to the second listed arbitrator and so on. The rotation shall be applied to each individual Producer. An Arbitrator named on the list of Arbitrators of the BC Arbitrator's Association may at any time, by mutual agreement, be substituted for an Arbitrator on the foregoing list. If possible, the date of the arbitration hearing will be within fourteen (14) calendar days from the date the Arbitrator is selected. At the conclusion of the arbitration the Arbitrator shall render a decision on the evidence and arguments presented which shall be final and binding on the parties, including the grievor and fully enforceable in a Court of competent jurisdiction. The Arbitrator shall present a written decision unless the parties to the arbitration mutually agree that a written decision is not necessary. The Arbitrator's written decision shall be issued within thirty (30) calendar days from the date final arbitration briefs, if any, are submitted, or the last day of the arbitration hearing, whichever is later.

A1008 Expedited Arbitration

In lieu of A1007 the parties to this agreement may pursue expedited arbitration pursuant to British Columbia Labour Relations Code §104 in lieu of the Arbitration Procedure set forth above, and utilizing the Arbitrators listed in A1007 above, to the extent possible.

A1009 Arbitrator's Authority

The Arbitrator shall have all necessary powers to determine the real issue in dispute according to the merits and, if appropriate, award monetary payments, adjustments, or damages consistent herewith. The Arbitrator shall not have the power to amend, modify or effect a change in any of the provisions of this Agreement, award punitive damages, award money damages to the Union or the Producers, or to determine jurisdictional disputes.

A1010 Costs

The Arbitrator's fees and a court reporter's fees shall be borne equally by both Parties. Expenses of witnesses, however, shall be borne by the Party who calls them.

ARTICLE A11 - WORK DAY FOR PERFORMERS

A1101 Work Day

The regular work day shall consist of eight (8) consecutive hours not including the meal period and there shall be no split shifts. Except when travel time payment is required pursuant to A1701(b), the work day

The work day does not end until the Performer is out of make-up and costume, unless transport is contractually required and has been requested and arranged, in which case the work day ends when the Performer is actually able to leave the set.

A1102 Calendar Day

A work day starting on one calendar day and continuing into the next shall be deemed to be one work day, namely that day on which work started. For clarity, such continuation shall not in and of itself constitute a double booking.

A1103 Night Shoots

ARTICLE A12 - OVERTIME

A1205 More Favourable Terms

ARTICLE A13 - REST PERIODS

A1301 Rest Between Days

Subsequent meal periods will be scheduled in six (6) hour intervals. When the Performer's Call is for make-up or wardrobe, the six (6) hour period of work shall commence from such call, except when the Non-deductible Meal pursuant to subparagraph (e) of this Article applies.
- (b) Substantial Snack: In the event that the first meal break of the day is called at or before the completion of five (5) hours' work, there will be no requirement for a Substantial Snack to be served. If the meal break is called after six (6) hours, a Substantial Snack shall be served.
- (c) The first meal periods shall not be considered as time worked and shall not be paid. Subsequent meal periods shall be paid through as time worked.
- (d) Performers, including Qualified Background Performers, may be broken individually for meals and shall have the same access to the craft services table. Qualified Background Performers shall receive the same meals as the other members of the cast and crew.

During this paid, non-deductible meal period, the Performer will be freed of all activity.
 - (ii) The next meal period shall be no later than six (6) hours from general crew call.
 - (iii) For the purposes of this Article, this non-deductible meal shall not be considered the "first meal".
 - (iv) If a hot meal is not made available, the provisions of Article A1401 (a) to (d) shall apply.

A1402 Meal Not Provided

When the meal is not provided on set, all Performers, including Qualified Background Performers, shall receive a meal break of one (1) hour. Actual time spent in travelling to and from the restaurant or other eating establishment shall be considered work time but shall not incur meal penalties.

A1403 Meal Penalties

If any Performer is unable to commence a meal period by the end of the sixth (6th) hour interval described in A1401 above, the Performer shall be paid a meal penalty or penalties by being paid two hundred percent (200%) of such Performer's contracted hourly rate calculated in quarter (1/4) increments for all time after the sixth (6th) hour until the Performer's meal period begins, or they are dismissed for the day.

A1404 Extension of the Work Period

- (a) The six (6) hour work period may be extended by the Producer for a maximum of one-quarter (1/4) hour which shall be neither scheduled nor abused. Should such extension extend past one-quarter (1/4) hour, then the meal penalty for Performers not broken or wrapped shall be retroactive to the end of the sixth (6th) hour of work.
- (b) For wrap, the six (6) hour work period may be extended by the Producer for a maximum of one-half (1/2) hour. Should such extension extend past one-half (1/2) hour, then the meal penalty for Performers not broken or wrapped shall be retroactive to the end of the sixth (6th) hour of work.

A1902 Cancellation of a Single Production

If a single Production is cancelled for any reason other than that provided in A1901, the Producer shall not be required to pay the Performers, provided notice of such cancellation is received by the Performers two (2) weeks in advance of the first Call and confirmed in writing. Notice of such damage or loss shall be given to an authorized representative of the Producer at the time the loss is discovered but in no case more than 24 hours after dismissal unless there extenuating circumstances exist.

A2002 Safety Provisions for Dancers

Adequate time (up to thirty (30) minutes) and space must be provided to permit all Dancers to warm-up (perform limbering exercises) prior to dancing. In no event shall any Dancer be asked or assigned to rehearse on unsafe floors, or concrete cement, stone, or similar surfaces unless the surface is covered in such a manner as to result in a resilient dancing surface except on "camera day" when the requirements of other production equipment make use of such non-resilient surfaces unavoidable. It is understood that the Producer may request that the Union waive the above provisions which address non-camera day rehearsal when it is deemed that such precautions are not necessary for the style of dancing to be performed, such as the minuet. All Dancers shall be given prior notice if dancing on oily or wet surfaces is required. The Producer shall notify the Union, in writing, regarding the date of first use in a residual market. Unless the Union is otherwise notified by the Producer, the date of first use in a residual market for a Theatrical motion picture shall be deemed to be six (6) months after Theatrical release. With respect to long-form television programs and television Series produced primarily for distribution outside of Canada, the date of first use in a residual market shall be deemed to be thirty (30) days after the completion of principal photography unless the Union is notified otherwise by the Producer. With respect to television programs intended primarily for distribution in Canada, the date of first use in a residual market for long-form television programs and television series shall be nine (9) months after the completion of principal photography unless the Union is otherwise notified by the Producer. Where it is established that the actual date of first use in a residual market is earlier than the deemed date, the actual date shall apply.

(a) Theatrical Motion Pictures

When the Program's Declared Use is Theatrical, the Producer may pay one hundred thirty percent (130%) of the Performers' Net Fees for unrestricted worldwide use in all media enumerated in C101 above for a period of four (4) years from the date of first use in a residual market. After the expiration of such four (4) year period, the Producer will pay 3.6% of "Distributors' Gross Revenue," as that term is defined in C4 below, with respect to all media other than Theatrical, for which the Producer retains unrestricted worldwide Theatrical use for the period of the copyright of the Program.

(b) Free Television Series

When a Program's Declared Use is Free Television, the Producer may pay one hundred and five percent (105%) of the Performers' Net Fees for unrestricted worldwide use in all media enumerated in C101 above, excluding Theatrical, for a period of five (5) years from the date of first exhibition in a residual market. Before the expiration of any five (5) year period, the Use Fees may be renewed for an additional five (5) year period upon payment of an additional one hundred and five percent (105%) of the Performers' Net Fees. In lieu of renewing a five (5) year period, the Producer will pay 3.6% of "Distributors' Gross Revenue," as that term is defined in C4 below, with respect to all subsequent exploitation of the Program.

(c) Free Television Long-Form Programs

When a Long-Form Program's Declared Use is Free Television, the Producer may pay one hundred five percent (105%) of the Performers' Net Fees for unrestricted worldwide use in all media enumerated in C101 above, except Theatrical, for a period of four (4) years from the date of first exhibition in a residual market. Before the expiration of any four (4) year period, the Use Fees may be renewed for an additional four (4) year period upon payment of an additional one hundred five percent (105%) of the Performers' Net Fees. In lieu of renewing a four (4) year period, the Producer shall pay 3.6% of "Distributors' Gross Revenue," as that term is defined in C4 below, with respect to all subsequent exploitation of the Program.

(d) Cable TV

When a Program is made primarily for Cable Television, the Producer may pay one hundred and five percent (105%) of the Performers' Net Fees for unrestricted worldwide Use in all media enumerated in C101 above, excluding Theatrical, for a period of five (5) years from the date of first exhibition in a residual market. Before the expiration of any five (5) year period, the Use Fees may be renewed for an additional five (5) year period upon payment of an additional 105% of the Performers' Net Fees. In lieu of extending a five (5) year period, the Producer shall pay 3.6% of "Distributors' Gross Revenue" as that term is defined in C4 below, with respect to all

subsequent exploitation of the Program.

(e) **All Other Media Enumerated in C101**

When the Declared Use is other than Theatrical, Free Television or Cable TV the Producer shall pay one hundred five percent (105%) of the Performers' Net Fees for unrestricted worldwide use in all enumerated media in C101 above, excluding Theatrical, for a period of four (4) years from the date of first exhibition in a residual market. After the expiration of such four (4) year period, the Producer will pay 3.6% of "Distributors' Gross Revenue," as that term is defined in C4 below, with respect to all subsequent exploitation of the Program.

(f) **Conversion to Theatrical**

When a Program has a Declared Use other than Theatrical, and is distributed for Theatrical Use, the Producer shall pay to the Performers the following percentages of the Performer's Net Fees for unlimited Theatrical Use:

ARTICLE C4 PARTICIPATION IN DISTRIBUTORS' GROSS REVENUE OPTION

C401 Application of Participation Advance Option

Pursuant to the Enabling Provision of this Agreement (A112), the Union shall give good faith consideration on a case-by-case basis to the application of the Participation Advance Option on CAVCO-eligible low budget Productions committed to be produced in British Columbia or with British Columbia-based Performers. The application of the Participation Advance Option may be subject to conditions established by the Union.

C402 Percentages of Non-Refundable Advance

The Producer may pay, at the time of production, one of the following percentages of Net Fee as a Non Refundable Advance against the following Use Fees based on Performer Participation in *Distributors' Gross Revenue*:

Option Number	Non-Refundable Advance (% of Net Fees)	Participation in Distributors' Gross Revenue
1	100.0%	3.6%
2	75.0%	4.6%
3	50.0%	5.6%
4	25.0%	6.6%

C403 Limitation of Selection of 25% Advance

(a) The only circumstances which will allow a Producer to select option # 4, and therefore make a 25% Participation Advance payment under Article C402 is if there is only one exclusively Canadian pre-sale in one media, as of the first day of principal photography of the Production, and which pre-sale must include one of the Declared Uses, as defined in Article C101. Unless the Production pre-sale fulfills these conditions the Producer shall not be entitled to exercise option # 4.

(b) A Producer who exercises option # 4 without strictly fulfilling all of the foregoing conditions shall be liable to pay damages to the Union in respect of the Performers affected, based on the difference in the Participation Advance payment calculated at the rate of seventy five percent (75%) (option # 2), less the Participation Advance payment actually made, and the Performers concerned shall continue to be entitled to

participate in Distributors' Gross Revenue derived from the Production at the rate provided in option # 4, i.e., 6.6%.

C404 Participation in Gross - Participation Advance

After the Producer has elected to make Participation Advance Payments as set out in C402, Performers shall be paid, as Use Fees, an aggregate amount equal to the applicable percentage of *Distributors' Gross Revenue*, provided that no amounts shall be paid until such time as the Aggregate Participation Advance is recouped from the *Distributor's Gross Revenue*.

C405 Limit on Individual Participation Advance

The parties acknowledge that the maximum amount of an individual Performer's Participation Advance shall be fifty percent (50%) of the Gross Fees payable to such Performer in respect of the Production.

C406 Calculation of Aggregate Participation Advance

For purposes of calculating additional Use Fees, the Aggregate Participation Advance shall be the total of all the Participation Advance payments paid to Performers on a Production, with the following cap or limitation: No Performer shall be credited with an Participation Advance payment greater than the amount equal to the number of days of principal photography multiplied by twenty (20) times the minimum daily fee for a Principal Actor as set out in Article B101.

C407 Payment of Use Fees

Additional Use Fees shall be payable to the Union and shall be distributed to Performers pursuant to the provisions of Article C410. Although the individual Participation Advance payments in excess of the limitation specified in Articles C405 and C406 payable to individual Performers may not be credited to the Aggregate Participation Advance, the Union shall have the right to take into account such excess Participation Advance payment to an individual Performer when determining the allocation that will be made to the said Performer under Article C410.

C408 Distributors' Gross Revenue shall mean all monies derived in any manner whatsoever from the distribution of the Production, including through the sale, license or other like means of distribution of the Production and shall be calculated before or simultaneously with any other gross participants from first dollar, without deductions of expenses of any kind. In the case of animated Productions, Distributors' Gross Revenue shall include only revenues from licenses of the English Language version of the Productions. For greater certainty:

- (a) Monies derived through the exploitation of ancillary, allied and underlying rights and like rights, such as merchandising, novelization and sequel rights, shall not be included in Distributors' Gross Revenue.
- (b) Distributors' Gross Revenues shall also mean all monies received by those Distributors with which the Producer has entered into a Distribution Agreement (the "Head Distributor") in respect of the Production. The Distributors' Gross Revenues shall also include all monies received by sub-distributors which:
 - (i) are related to or which do not have an arm's length relationship with, the Producer or the Head Distributor; or
 - (ii) have an obligation to report and remit Revenue directly to the Producer or Head Distributor.
- (c) Pre-sale revenues shall be included in Distributors' Gross Revenue. A pre-sale means the grant of a license or rights to utilize a Production, prior to production, to an end user, for consideration. The amount of verified distribution Advances, i.e. payments received by a Producer from a Distributor, shall not be included in Distributor's Gross for the purpose of triggering the payment of Use Fees to Performers, however, a Distributor shall not be entitled to deduct the amount of the Advance from the amount of the Distributor's Gross Revenues, for the purpose of the calculation of Use Payments.

- (d) Notwithstanding the foregoing, Distributors' Gross Revenue derived from the sale or rental of Compact Devices shall be deemed to be equal to 20% of the wholesale selling price of such Compact Devices provided that in the event that the wholesale selling price is at or less than the typical sell-through price to wholesalers (currently \$30. per unit), the deemed Distributors' Gross shall be 10%.
- (e) The Producer, at the time of the Production, will make a reasonable allocation of revenues for the purposes of determining which portion thereof is attributable to the Declared Use and/or prepayment and which portion thereof is attributable to the Gross Distributors' Revenue upon which Use Payments are based, subject to the right of the Union to refer any difference to Arbitration under Article 10. If, as a result of this allocation, Use Fees become payable from the Distributor's Gross Revenue, the said Fees shall be payable to the Union at the time of Production.
- (f) **Packaging** It is acknowledged by the parties that distributors may seek to diversify their risks by packaging more successful and less successful Productions. Where Productions are packaged together for the purposes of distribution, the parties shall allocate the revenue attributable to each individual Production, subject to the right of the Union to refer any difference to the Arbitration under Article 10.
- (g) **Official Treaty Co-productions**
 - (i) While Distributors' Gross Revenue includes revenue from all sources on a world wide basis, in respect of Official Treaty Co-productions certified by Telefilm or by any successor organization, the Distributors' Gross Revenue shall be:
 - (A) all those revenues derived from the distribution of the Official Treaty Co-production in those territories to which the Canadian Co-producer is exclusively entitled to distribution revenues and has no obligation to report or remit revenues to the foreign co-producer;
 - (B) a proportion of those revenues derived from the distribution of the Official Treaty Co-production in those territories in which the Canadian Co-producer is entitled to distribution revenues on some shared basis with its foreign co-producer, which proportion shall be equal to that proportion of revenues agreed by the co-producers to be paid to the Canadian Co-producer from such territories (the "Canadian Share"). The Canadian Share shall be no less than the percentage of the total amount of the Production budget financing derived, directly or indirectly, from any Canadian source(s).
 - (ii) Prior to production, the Producer shall disclose the Production's status as an Official Treaty Co-production to the Union, and will provide the following information to the Union:
 - (A) the name and legal status of the Co-producers;
 - (B) the details of the agreement between or among the Co-producers in respect of the manner in which the revenues from the Official Treaty Co-production will be divided between (or among) them, including details of territories to which either Co-producer is exclusively entitled to distribution revenues and has no obligation to report or remit revenues to the other, and any material amendments to the agreement in such respect.
- (h) If the Producers who is a party to this Agreement negotiate a definition of Distributors' Gross Revenue (or the equivalent) which in some or all aspects is superior to the definition in this Article, with any other trade union or association that bargains collectively on behalf of its members, the definition hereunder shall be amended to reflect the improvement.

C409 Reporting and Payment Procedure

- (a) The Producer shall deliver to the Union reports setting forth the amount of Distributors' Gross Revenues in respect of the Production, derived in the applicable accounting period. Each report shall be delivered to the Union in the same manner and frequency as the Producer reports to government agencies and/or other financiers, but it shall be no less than semi-annually for the first two years following the first report filed hereunder and annually thereafter. The first report shall

be due 60 days following the last date of the first reporting period and the ensuing reports shall be due in the frequency provided above. The first reporting period is the period immediately following the delivery of the Production to the Distributor. The reports will be accompanied by the aggregate Use Payments payable to Performers and an outline of the method of calculation of the said payment.

- (b) At the request of the Union the Producer will consent to the release of true copies of the reports dealing with Distributors' Gross Revenue, filed with the government agencies and/or other financiers, subject to the right on the part of the Distributor to edit the reports on the grounds that they contain confidential information.
- (c) The Producer (or Distributor) shall be deemed to hold the aggregate Use Payments in trust for the Performers, from the time that Gross Revenues are recognized, until the disbursement of same to the Union on the due date, i.e., the date that each report is due. In the enforcement of this Article, the Union, subject to its rights as a creditor, shall agree to not hold any Performer of a Producer (or Distributor) liable in negligence, provided the said Performer acts in a bona fide fashion. The Distributors' Gross Revenues shall be recognized when a contract for the sale or conveyance of any rights in a Production is made, but Use payments shall only be payable when the reports are due under C409(a) above.
- (d) If the currency of the Distributors' Gross Revenues is other than the Canadian Dollar, the Use payment shall be calculated at the exchange rate for the said currency, on the basis of the established practice of the Producer or Distributor, which practice shall be disclosed in writing to the Union upon request. If the practice is amended at any time such amendment shall be disclosed to the Union.
- (d) Payments shall be made to the Union in trust for the Performers concerned. The Union shall be entitled to make a claim of interest on payments received after the due date as provided herein, i.e., the date the reports are due to be filed, at the Prime rate of interest, as of the due date, plus three percent (3%), calculated monthly, which claim shall be enforceable under the terms of this Agreement.
- (e) When a Producer selects any of the Advance Options the Producer shall deliver to the Union:
 - (i) the calculation of the total amount of Advance payments, certified by the Production Accountant or Controller, and the back up material in this regard;
 - (ii) the first report that is due to the Union pursuant to Article pursuant to C409(a);
 - (iii) the information and Use Fees, if any, payable under C408(e).

C410 Distribution of Payments

Use payments shall be distributed to Performers by the Union on the following basis:

- (a) Units will be assigned to Performers as follows: One (1) unit shall be defined as the minimum fee payable to the lowest rated residual category for one day of work. Performers shall receive units according to the Gross fee paid to that Performer for the production of the Program to a maximum of twenty (20) units per Performer.
- (b) For each Program, the total revenue will be divided by the total units accumulated by all Performers with respect to the Program involved and therefore a dollar value will be assigned to each unit. The distribution made to each individual Performer will be based on the number of units he has accumulated and the dollar value calculated in the preceding sentence.

ARTICLE C5 - RESIDUALS ADMINISTRATION

C501 Selection of Use Payment Option

The election made by the Producer to pay Use Fees under C2 or C3, or C4 shall be the same for each Performer engaged on the Production. For clarity, if a Producer elects to Prepay Performers as set out in Article C3, all Performers engaged in respect of the Production shall be entitled to receive the same percentage of fees as a Prepayment. On the other hand, if a Producer elects to make Participation Advance

payments as set out in Article C4, the Producer must select the same percentage of the Participation Advance and thus provide for the identical rate of participation in the Distributor's Gross Revenue for each Performer on the Production.

C502 Fair Market Value

The Producer and/or Distributor shall meet with the Union to determine the fair market value for distribution of a Program should such program be distributed for Use by means of barter, or exchange, or other means for which no charge is made or a nominal fee is charged, or as part of a package of Programs. The Use fees payable to Performers shall be based on such agreed fair market value or as determined under the terms of Article 10.

C503 Distributor's Assumption Agreement

- (a) If the Producer, its successors and assigns, licenses, sells, disposes or otherwise conveys any distribution rights in a Production produced under this Agreement, the Producer shall use its best efforts to obtain a Distributor's Assumption Agreement. In respect of any outright valid sale or conveyance hereunder, (i.e., a disposition, the terms of which, do not include a requirement to report revenue to a Producer) a Distributor's Assumption Agreement is a condition precedent to said sale or conveyance. The said Agreement shall be in the form attached as Appendix "I".
- (b) Upon seeking the approval of the Union to an assignment, license, sale, disposition or conveyance of distribution rights the Producer shall also provide to the Union such information and material pertaining to the Distributor, as the Union may reasonably require, including but not limited to, the financial status, the individual principals and directors of the Distributor, and the conditions of the Agreement of Purchase and Sale.
- (c) The Producer shall not be relieved of any of its obligations for payments due under this Agreement, unless the distributor to whom the distribution rights have been sold, assigned, or otherwise disposed of (the Distributor) assumes the obligations for such payments by a Distributor's Assumption Agreement in the form contained in Appendix "I", and the Union approves the assumption in writing. The Union's approval shall not be unreasonably withheld.

C504 Administration Charge

The Producer shall assist in defraying the cost of administering this section of the Agreement which involves the distribution of Use payments. The administration fee payable shall be one percent (1%) of the total amount to be distributed. The minimum administration charge shall be \$100.00 per Program payable as an advance with the first Use Fee payment to be distributed by the Union.

C505 Security Agreement

In accordance with Article A415(b)(v) a Security Agreement in the form of Appendix "J" shall be provided to the Union, prior to the completion of principal photography and the Performance Bond provided under Article A415 shall not be released by the Union until the delivery of the said executed Security Agreement. When it is contemplated that the Production or Program will be distributed outside of the jurisdiction in which it is produced, the Union may request, and the Producer will provide, additional Security Agreements in forms which are registerable in the jurisdictions where, in the opinion of the Union, the Production or Program may be distributed.

C506 Re-Use Payments Forwarded to the Union

All re-use payments, other than those made at the time of production, shall be forwarded directly to the Union for distribution to Performers.
